“Abracadabra” 9 years old

Boeskool Boy Baby

“Abra” is a stunningly beautiful 16.3 mare. She is a beautiful mover and has the potential for great things. She’s been in training for the past year with Rachel Sargent of Rico Enterprises in Prairie Grove and they’ve made GREAT progress. Abra needs an experienced rider/trainer. She has melanomas on her neck but they do not interfere in any way with tack. She loads great and has taken 2 Champion ribbons at NWAHJA shows. She could also be a great broodmare.
