

Northwest Arkansas Hunter Jumper Association

2010 Summer Classic Horse Show

6/18/2010

Trainers and riders-

The 4th annual Summer Classic is just around the corner. This season there will be several format changes, in attempts to draw in more competitors within our region. Please check the website and show bill for further details.

Saturday at 8am in the lower arena will be phase I of the Jumper Challenge. At 9am in the indoor we will begin the 2ft Open Hunter and go to 3ft Hunters. Around 6pm we will start our evening events: NWAHAJA Hunter Derby and Phase II of the Jumper Challenge. Sunday will start with Jumper and will be followed by Beginner Pleasure and end with 2ft Modified Hunter.

Throughout the weekend, we will offer hunter challenges that will test both horse and riders. In addition, last but not least, this year's show will be double points (entry remains \$12/ class). If there are any questions, feel free to contact me. Hope to see you there!
